

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of Southern California Edison Company (U 338-E) For Authority to, Among Other Things, Increase Its Authorized Revenues For Electric Service in 2006, And to Reflect That Increase in Rates.

Application 04-12-014
(Filed December 21, 2004)

**ADMINISTRATIVE LAW JUDGE'S RULING
SHORTENING TIME FOR RESPONSES TO MOTION**

On March 10, 2005, Southern California Edison Company (SCE) filed a motion requesting that service of its initial showing in Phase 2 of the 2006 general rate case be deferred from March 21, 2005 to May 20, 2005. SCE also requests that a response deadline of March 16, 2005 be set, so that other parties have the opportunity to respond prior to any ruling. Due to the time sensitive nature of SCE's motion, its request to shorten time for responses is reasonable and shall be granted.

IT IS RULED that responses to SCE's Motion Regarding Schedule for Phase 2 of 2006 General Rate Case shall be filed no later than March 16, 2005.

Dated March 14, 2005, at San Francisco, California.
